

INSTRUCTIONS FOR FILLING OUT ENTRY CARD

An Entry Card is required for all images entered in any print category or in any slide category. Entry Cards are not required for images entered on-line for any digital category. **It is recommended you bring filled out Entry Cards to the Competition.**

1. Boldly mark either the A or the B box in the CLASS column if using the Entry Card to enter Color Prints, General Slides or Nature Slides. Please leave the Class A and Class B boxes blank if using the Entry Card to enter B & W Prints or Creative Slides.
2. If using the Entry Card to enter a Print category boldly mark the appropriate box in the PRINTS Column. Please leave the Print category boxes blank if using the Entry Card to enter slides.
3. If using the Entry Card to enter a Slide category boldly mark the appropriate box in the SLIDES column.
 - a. You cannot enter wild botanical subjects and non-domestic zoology subjects that qualify as nature images in the General category.
 - b. Natural landscapes and seascapes may be entered in either Nature or General categories.
 - c. You cannot enter slides that qualify for the Creative category in the General category.
 - d. If you have manipulated images of nature subjects in such a way that they no longer qualify as nature images you must enter them in the General category. Boldly mark the CHECK HERE box so the image will not be disqualified.
