10. Is there information missing on the website? If so what?

#	Response
1	Boudoir pics of Paul Burke.
2	posting the Multiscreen/quad images that won for our club.
3	I am sure that there is, can't think of a particular point right now.
4	In competition point summaries, photo ID would be helpful. This might be too hard to keep track of, though.
5	Field trip images - thanks for making that addition
6	Unless your digital it is difficult to get your images in any of the galleries
7	... but, if new material comes up over time, keep the site updated more often than it has been .....
8	I think the content is very good, and just needs to be maintained.
9	- Paul Burke sends out regular weekly messages about the meeting - this should also be posted somewhere on the website. - More current news about members. - Try to have the forum used by more members, more often.
10	Recent competition results and images
