THE OFFICIAL PUBLICATION OF THE STONY BROOK CAMERA CLUB

VOLUME 37, NUMBER 1

August/September 2010

Letter from the President by Jim West

As I write this, we're already well into the month of August and about to enter Stony Brook's 41st season as a photography club. I must say that I'm honored to be chosen as your president this year and will do my best to make it an engaging and enjoyable season for all, regardless of whether you're a photography novice or a more advanced photographer.

First of all, I want to take this opportunity to congratulate Tony Mistretta and his Program Committee for putting together an excellent program for this upcoming season. Serving on the committee with Tony are Ann Crawford, Joe Kennedy, Rob DeRobertis, Phil Giordano, Ed Gooltz and David Marshak. My appreciation goes out to all of them as a lot of work went into putting this program together. The committee met twice per week through the summer months and after many emails, telephone calls and brain storming put together a diverse program with a number of interesting speakers, both from within our camera club and from the outside. Also included are a number of interactive workshops and in collaboration with Ray Guillette the committee incorporated some changes and more diversity in the format of our Image Study sessions. A copy of the 2010/2011 program can be found at the end of this Newsletter and should also be posted on our website by the time you read this.

I also feel I need to mention Rob DeRobertis and the tireless work he has done for our club.

In addition to his time put into the Program Committee he has spent many hours of late revamping our website. We've had a nagging problem with a computer virus infecting our website and Rob has worked hard to clean that up. Menus have been cleaned up and a new feature called the "News Blog" has been added. http://www.stonybrookcc.com/News/announcem ents2.html Rob will be sending out an email outlining the changes he has made.

Speaking of our website, there's been a growing number of members, 50 at last count, on our Stony Brook Facebook group. You should feel comfortable that this site is accessible only by invitation as we've restricted its use to our club members, friends of the club and those on our membership waiting list. I see quite a bit of member activity there including sharing of images and mini field trips. If you're interested in joining, there's a Facebook link on the home page of the Stony Brook website. For further questions or comments about our Facebook group you can contact Rob DeRobertis at webmaster@stonybrookcc.com.

I'm sure each incoming president has some ideas for changes that may reflect some of the feelings that are important to them. Additionally, feedback from members on past programs helps shape some of these ideas. I'm no exception in that regard and there are a few areas I can mention as being particularly important to me. First and foremost, I would like to remind us that we're all part of a community and are here because of a common passion, that of photography. To that end, I would encourage you to reach out and engage in conversation with others in the room, particularly newer members. It wasn't that long ago that I was a new member and I can vividly remember feeling very lost until I finally mustered up the courage to speak with some of the other members.

This following idea is not new, but I think a good one as it has been a Stony Brook practice in the past. In order to help ease new members into our club Vicki Schepps has agreed to take on the role of 'Welcome Wagon Hostess'. She'll be seeking out new members in an effort to offer any assistance they may need and ease their transition into the club. It's just a simple practice but one I think will make new members feel more comfortable. My thanks go to Vicki for accepting this role.

Field trips are an area I'd sure like to see more members participate in. I've been on several Stony Brook field trips over the past few years. In addition to enjoying myself immensely I got the chance to meet and chat with a number of club members that I really didn't know prior to the trips. Denise Duhamel, Vicky Elliott and Bob Sheppard have agreed to plan a number of field trips. Hopefully, we can have a good turnout for the trips. Denise has already put together a Bar Harbor/Acadia trip for the beginning of October and already there have been a number of inquiries about it.

In writing this greeting I did a little research into past Stony Brook president's inaugural letters to the members. I saw a number of interesting items that I'd like to work on. Some simple things such as name badges and a mentor list were implemented in the past and seem to me a good idea to bring back. Please email or speak to me if you feel you have knowledge in a particular area of photography and would like to volunteer to act as a mentor to any club member that may need assistance.

Lastly, there's much more I would like to say and many more members I would like to thank. I will end by thanking all of our members that help make our club run smoothly. Until I became president, I don't think I was aware of how much work it takes by so many individuals to make our club what it is. Thanks to all of you for your generous help and support of our club. I very much look forward to September 9th, our first meeting of our 41st year.

A Message from the Treasurers

By Ken and Eva Coop

We are honored to serve as your treasurers again this season. We are anxious to see everyone again and enjoy new images that have been collected over the summer. We remind all members that due to the new bylaws approved by the membership last season, we are required to enforce an earlier deadline for dues payment, which is now Oct. 1. This is critical, as delinguencies will result in your membership being offered to someone from an ever-growing waiting list of eager folks. For your convenience, you can now pay your dues online through our web site, or you may still pay in person or by mail if you prefer. If you should choose not to renew, we will be sad to say goodbye, but please let us know as soon as possible.

Meeting Minutes...by our members

By Carol Adiletto

Greetings and welcome back to our entire Stony Brook camera club membership. This year I am hoping that several club members will be willing to write up a brief article after attending one of our programs. It can be a fun experience and the writer will get full credit for the article. As newsletter editor, I will be more than happy to assist in this undertaking. T would ask that you write me at sbcceditor@vahoo.com expressing which program you are willing to write-up. You may want to reference previous newsletters for suggestions.
